Docket 2005-35-W/S
Our File No.: 6385.041

Dear Mr. Terrini:

On August 10, 2005, I forwarded via Federal Express to the docketing department proof of an increase in both water and sewer bonds to \$350,000.00 as required by the approved settlement agreement in Docket Number 2005-34-W/S. I recently received a copy of the directive in Docket Number 2005-35-W/S. It implied that the Commission had not received proof of the increase in bond amounts. I then checked the docket in 2005-34-W/S and note that the information previously forwarded was not included.

To ensure that the issue is resolved for both matters, I am attaching a copy of my earlier correspondence and the Federal Express tracking information for your review and filing as needed.

Sincerely,
PRATT-THOMAS, EPTING & WALKER, P.A.

IMPORTANT DISCLOSURE NOTICE OF TERRORISM INSURANCE COVERAGE

On November 26, 2002, President Bush signed into law the Terrorism Risk Insurance Act of 2002 (the "Act"). The Act establishes a short-term program under which the Federal Government will share in the payment of covered losses caused by certain acts of international terrorism. We are providing you with this notice to inform you of the key features of the Act, and to let you know what effect, if any, the Act will have on your premium.

Under the Act, insurers are required to provide coverage for certain losses caused by international acts of terrorism as defined in the Act. The Act further provides that the Federal Government will pay a share of such losses. Specifically, the Federal Government will pay 90% of the amount of covered losses caused by certain acts of terrorism which is in excess of an insurer's statutorily established deductible for that year. The Act also caps the amount of terrorism-related losses for which the Federal Government or an insurer can be responsible at \$100,000,000,000.00, provided that the insurer has met its deductible.

Please note that passage of the Act does not result in any change in coverage under the attached policy or bond (or the policy or bond being quoted). Please also note that no separate additional premium charge has been made for the terrorism coverage required by the Act. The premium charge that is allocable to such coverage is inseparable from and imbedded in your overall premium, and is no more than one percent of your premium.
